Continuation Sheet (PTOL-303)

Application No. 009/960,708

Continuation of 2. NOTE: The proposed claim amendments would require a new search and consideration since the amendments change, for example, the action from modulation to inhibition and specifically to a host having a condition associated with unwanted angiogenesis. A new search would be required for these new and limitations, for example.

Continuation of 5. does NOT place the application in condition for allowance because: Applicants arguments are based on the proposed amendment and since the amendment has not been entered, the arguments are moot..
